

CALFED
BAY-DELTA
PROGRAM

Public Comment

Date Sept 1, 99

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

It's time for Californians to restore their
wetlands and salmon runs. If this
means a reduction in agricultural output
then that is the way it has to be. CA
no longer needs such a ~~strong~~ dominant
agri-business economy, especially at the expense of wildlife.
We need to convince the majority of Californians
to stop subsidizing the destruction of habitats.
